

# TORONTO, ONTARIO

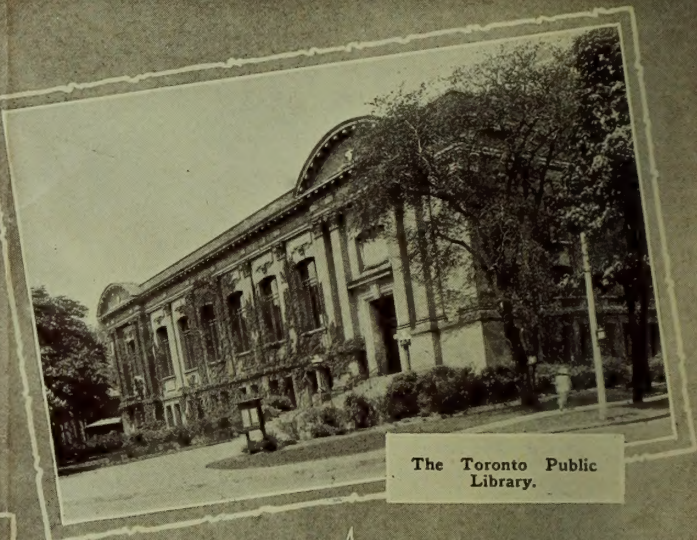

*CANADA'S  
MOST BEAUTIFUL  
SUMMER CITY*

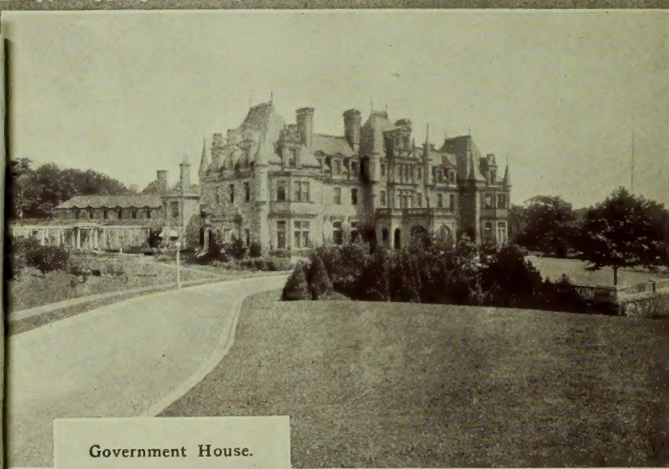

Parliament Buildings.

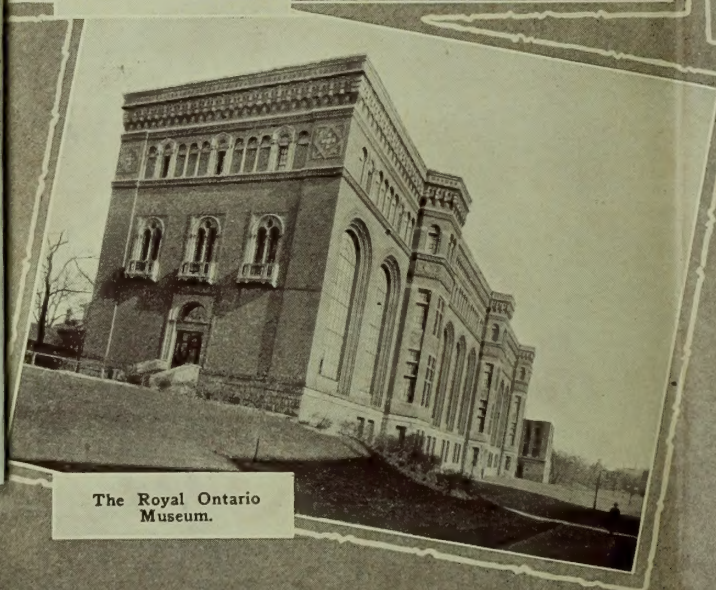

The Toronto Public Library.

Government House.

Toronto's Magnificent City Hall.

The Royal Ontario Museum.

Toronto is the Provincial Seat of Government and here are seen the Parliament Buildings in a beautiful floral setting.

The Government House is the official home of the Lieutenant Governor of Ontario.

The Royal Ontario Museum boasts of having one of the finest Chinese collections in the world.

The Toronto Public Library is one of the finest on the Continent.

The City Hall is visited annually by thousands who see Toronto from its tower.

Toronto has a wealth of wonderful buildings to feast the eye of the tourist—seen best from the palatial sight-seeing coaches, owned and operated by the City of Toronto.

Largest Heated Swimming Pool on Continent at "Sunnyside."

Ladies' Soft Ball Stadium at "Sunnyside."

Sunnyside Beach—Millions enjoy this Swimming Beach annually.

Sunnyside Board Walk and Boulevard Drive.

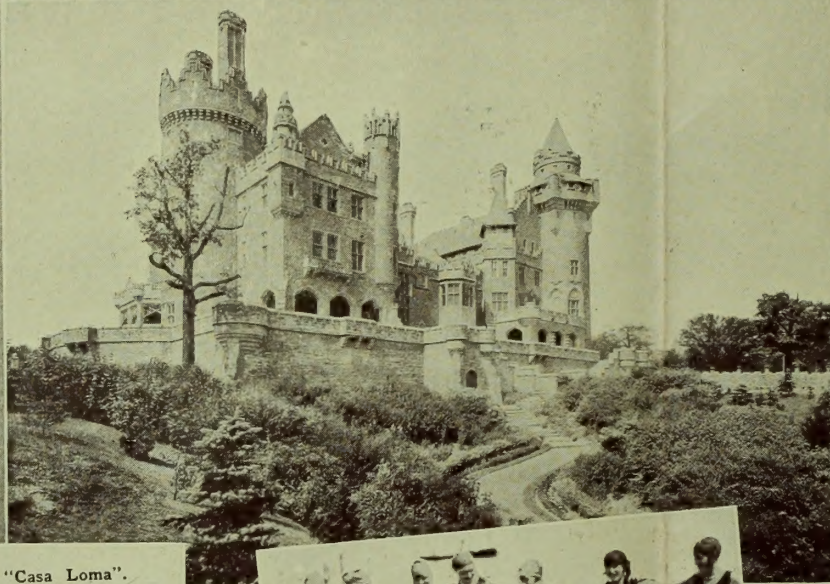

Toronto is a large commercial city with all the qualities of a huge summer resort and is Canada's most beautiful summer city. "Sunnyside" is one of the finest and most complete amusement parks to be found anywhere. Here every kind of resort amusement, beautiful swimming beaches and one of the world's largest heated swimming pools is located. The boardwalk is two and a half miles in length, right on the shores of Lake Ontario. Wonderful places to dine and dance.

Kew Beach—Another of Toronto's Popular Swimming places.

"Casa Loma".

Birthplace of Mary  
Pickford.

Bathing Girls at  
Sunnyside.

Horseback at High  
Park.

Club House, Toronto  
Golf Club.

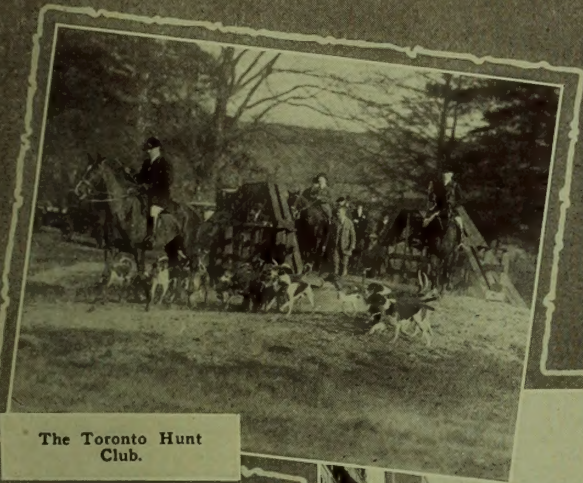

Canoeing at Sunnyside.

Toronto has many beautiful residential sections—above will be seen Casa Loma, the continent's most sumptuous home. Swimming, horseback riding and boating are favourite sports with Toronto people.

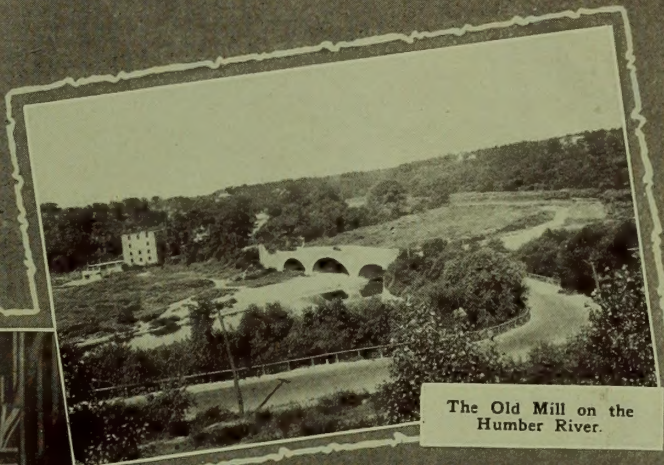

The birthplace of Mary Pickford, "the Nation's Sweetheart", is located on University Avenue.

The Toronto Golf Club is very popular. There are over twenty golf courses within easy reach of the city. Two of these are publicly owned. Torontonians are ardent golfers. Bring your golf clubs with you and enjoy the ancient game under the best of conditions.

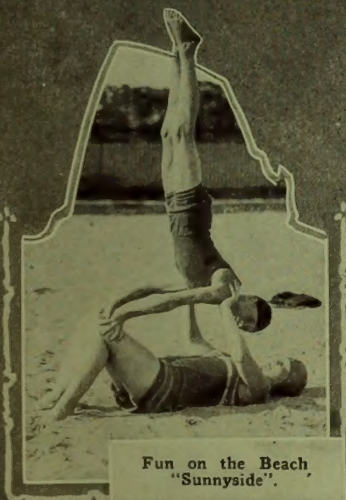

The Toronto Hunt Club.

The Old Mill on the Humber River.

Fun on the Beach, "Sunnyside".

Yonge Street, Looking South.

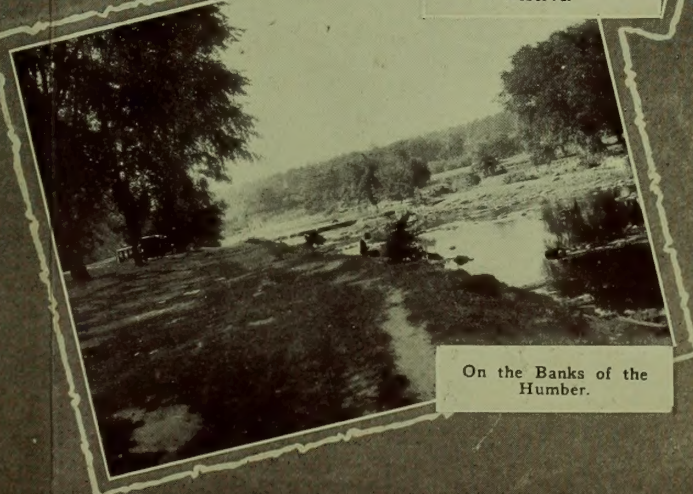

Deer at High Park Reserve.

The Toronto Hunt Club and the hounds are above shown just about to start on a cross country run. This sport is a favourite with the elite of Toronto.

The Old Mill and the Humber River are great favourites with the people. On a nice summer's day will be seen hundreds of canoes, rowboats and fast motor boats wending their way up and down the Humber River and crowds picnicking at the Old Mill.

The deer at High Park Reserve are visited by thousands of tourists annually.

Yonge Street is Toronto's main retail street where good stores of every kind are in evidence.

On the Banks of the Humber.

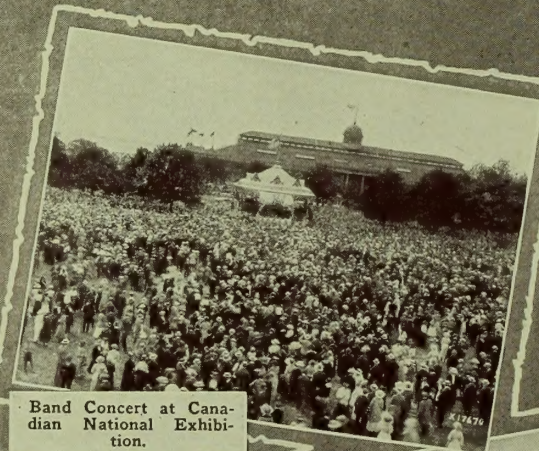

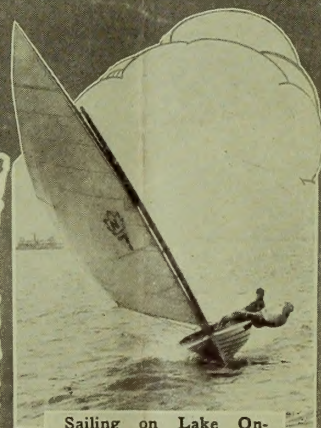

Entrance to Canadian National Exhibition Grounds.

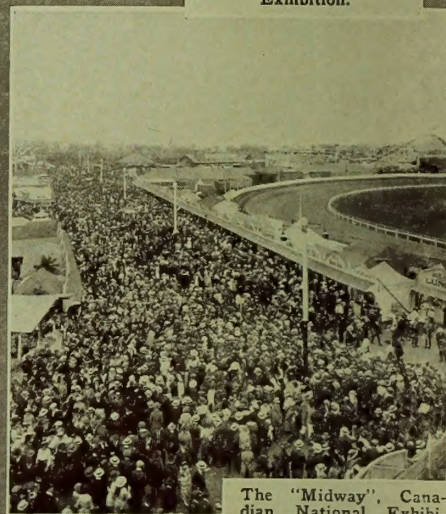

"Sunnyside", adjoining Canadian National Exhibition.

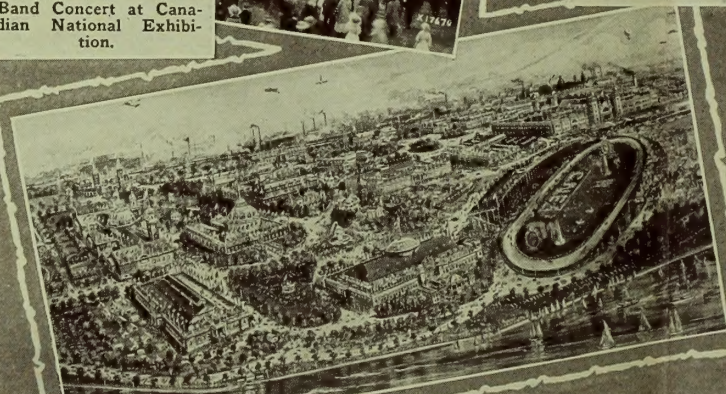

Band Concert at Canadian National Exhibition.

Sailing on Lake Ontario at the Canadian National Exhibition.

The "Midway", Canadian National Exhibition.

Aeroplane View of Canadian National Exhibition Grounds.

The Canadian National Exhibition is the greatest permanent achievement of its kind in the world. Its grounds cover over three hundred acres, and represents, including buildings, twelve million dollars; it attracts annually one million, five hundred thousand people from the four corners of the earth. Exhibits of every kind of manufacture from all parts of the world are shown.

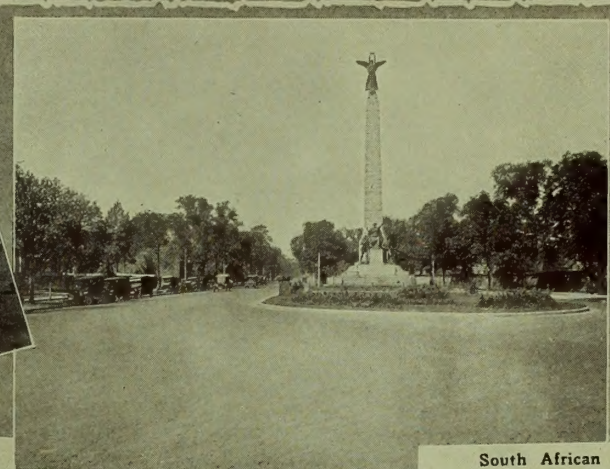

The Canadian National Exhibition opens each year the second Saturday before Labour Day and continues for two weeks.

Labour Day in Canada and in the United States falls on the same date.

University of Toronto.

South African Monument,  
University Avenue.

"The Coliseum", Home  
of the Royal Winter  
Fair.

Bathing Beauty at  
Toronto Island.

The University of Toronto is one of the leading educational institutions of the world. The grounds and building occupy several hundred acres. Insulin was discovered at this University by Dr. Banting.

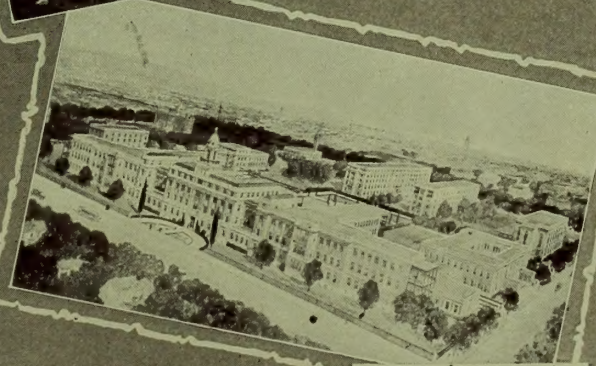

The Coliseum is the home of the Royal Winter Fair, the largest fat stock show in America, while its horse show is unsurpassed by any other similar event. The Royal Winter Fair is held annually in November.

The Toronto Art Gallery is a Mecca for lovers of art and famous everywhere.

The Toronto General Hospital, which takes its place among the best on any continent, is the pride of Torontonians.

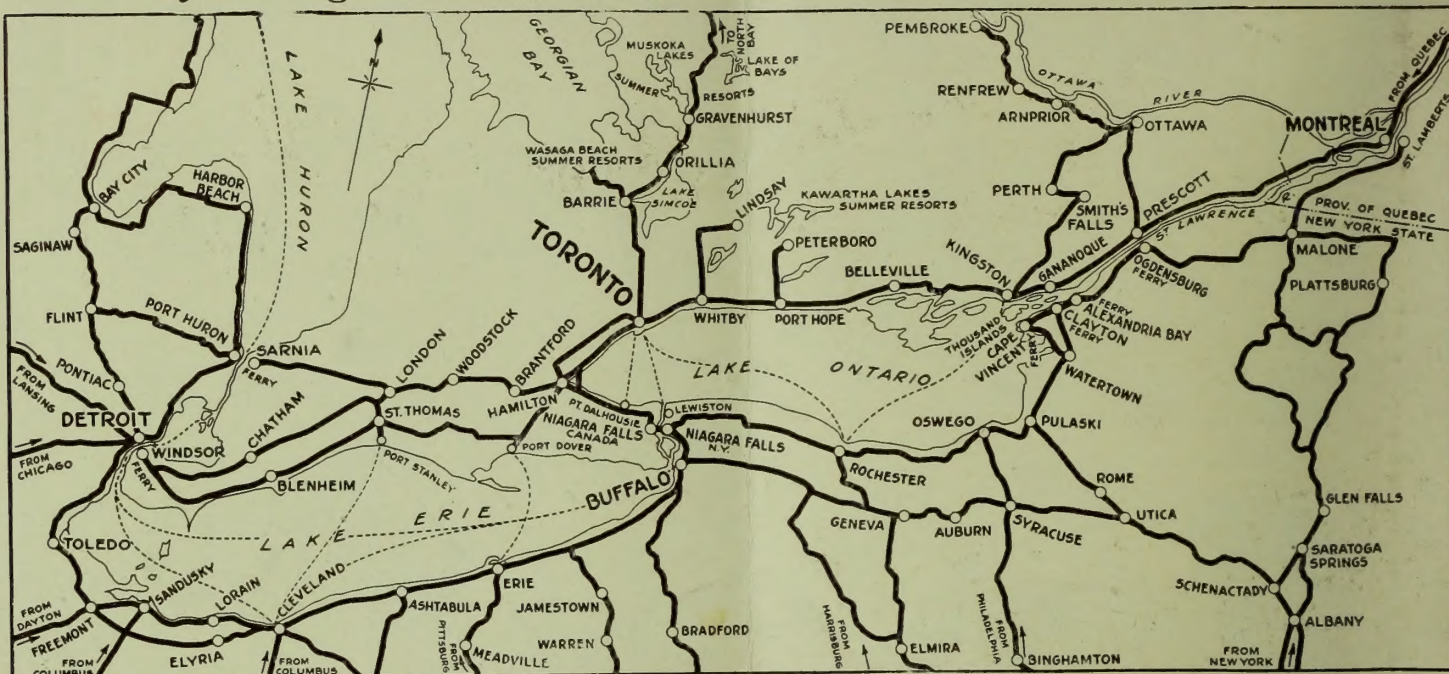

Toronto Art Gallery.

Toronto General  
Hospital.
